

The Mexican Society for Artificial Intelligence and the
Autonomous Metropolitan University award this certificate to:

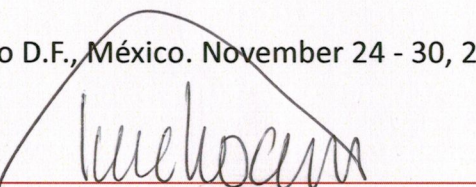

Hongjian Wang
for the
Best Best Student Paper Award

A Massive Parallel Cellular GPU Implementation
of Neural Network to Large Scale Euclidean TSP

The 12th Mexican International
Conference on Artificial
Intelligence

México D.F., México. November 24 - 30, 2013

Dr. Alexander Gelbukh
Conference Chair

Dr. Luis Enrique Noreña Franco
Local Chair

M. en C. Rafaela Blanca Silva López
Local Co-Chair
